Professional Summary

I am an enthusiastic Full Stack Developer with 5+ years of experience in developing and delivering cutting-edge web applications. I have a comprehensive knowledge of modern technologies such as JavaScript, Node.js, React, Next.js, and MongoDB, and I am well-versed in the entire development process from front-end design to back-end implementation. My ability to think creatively and come up with innovative solutions to complex problems has enabled me to stand out in my field. I am looking for an exciting role at a company that values creativity, innovation, and ongoing learning.
